

Shift Leader – 2nd Shift

Konex Corporation is looking to add a Shift Leader to the Sickles Sections department on 2nd shift.

Standard hours are Monday-Thursday 3:30 pm to 2:00 am. Hours may vary based on customer needs.

The primary responsibility of the Shift Leader is to be a working supervisor within the department. The Shift Leader will oversee approximately 10-20 associates in the Sickle Sections department on 2nd shift. Under the direction of the Team Leader, the Shift Leader is to ensure that plans and programs of Kondex's production system are carried out in his/her team, in accordance with Kondex's policies and procedures. The Shift Leader will strive to satisfy Kondex's customers with exceptional service.

Essential Duties and Responsibilities:

1. Operate and troubleshoot equipment within the Sickles Sections Department.
2. Assist the Team Leader to:
 - Establish appropriate expectations for team members.
 - Train new associates in production processes and methods.
 - Maintain production, quality standards and procedures, safety, and housekeeping.
 - Complete performance evaluations of team members.
 - Achieve Kondex's work standards.
 - Maintain all necessary documentation, including disciplinary warnings, incident investigations, quality documents, etc.
 - Oversee preventative maintenance program for team.
 - Support material handling requirements
3. Consult with Team Leaders regarding personnel issues.
4. Encourage cooperation and teamwork among fellow teammates.
5. Support other Team Leaders/Shift Leaders as required.
6. Work with the Team Leaders/Shift Leaders to plan, organize and direct the implementation of team activities.
7. Participate in all required leadership training sessions.

Qualification Requirements:

1. High school diploma or equivalent work experience.
2. Supervisory experience in a manufacturing environment.
3. Machine operation and troubleshooting experience.
4. Prior experience training others.
5. Ability to work with others, leading and participating in teams.
6. Strong communication skills.
7. Computer experience/ability to learn computer programs.
